COLDS BREED CATARRH

Her Terrible Experience Shows How Peruna Should Be in Every Home to Prevent Colds.

Mrs. C. S. Saperstein, 1211 Woodland Ave., Kansas City, Mo., writes:

"I feel it a duty to you and to others that may be afflicted like myself, to speak for Peruna."

"My trouble first came after a cold or two, and in a few days I was suffering with a severe cold and a headache. I suffered all the time with a running nose, and a very sore throat. I tried all the remedies I could find, but nothing ever relieved me like Peruna. It keeps me from taking cold."

"With the exception of some colds I am feeling perfectly cured. I am forty-two years old."

"I feel that words are inadequate to express my praise for Peruna."
